Dedication

We the members of the class of 1947 dedicate this annual to our mothers who made it possible for us to become high school graduates.

Pledge

I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands, one Nation indivisible, with liberty and justice for all.

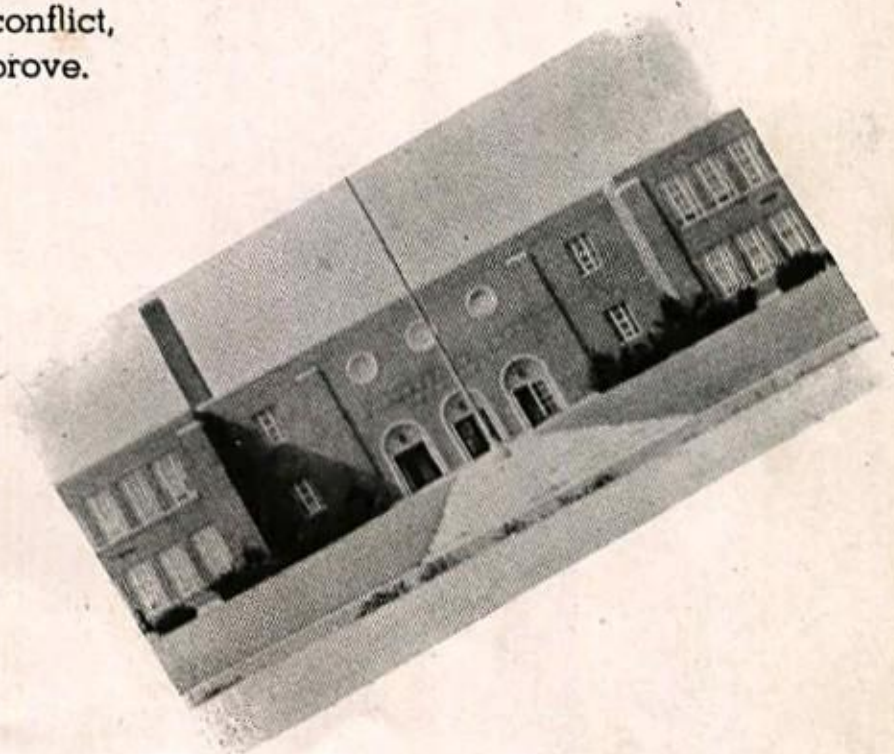

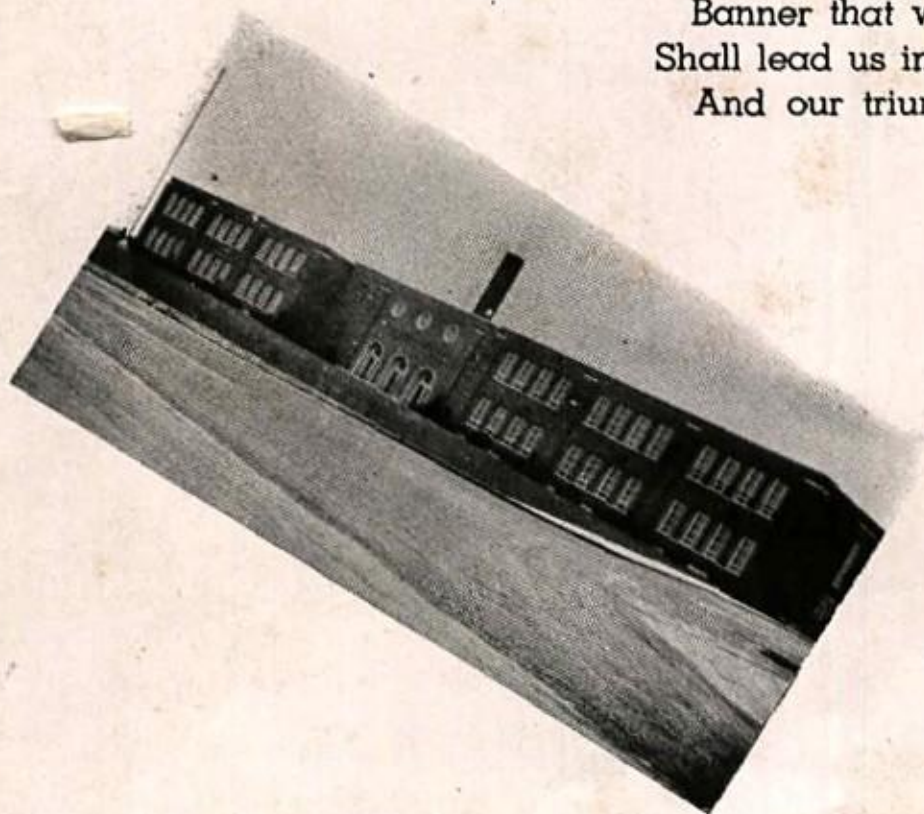

Alma Mater

Here's to thee, our Hopewell-Loudon
 Cherish in our song.
 Honor, love, and true devotion,
 All to her belong.

Chorus:
 Lift the chorus, speed it onward,
 Loud her praises tell,
 Hail to thee, our Alma Mater
 Hail, all hail, to thee.

Honor to the Gray and Scarlet,
 Banner that we love
 Shall lead us in the conflict,
 And our triumph prove.

STANDING: Arthur Hoover, S. J. Lawless, Lorenzo Calvin, Arthur Jones.
SITTING: Virgil Kline, Archie Fruth.

Board of Education

Another school year is drawing to a close and another large group of boys and girls are passing one of the most important milestones in their lives. They are taking with them something they will treasure more and more as they grow older—the fine associations, the friendships and the good fellowship acquired during their high school days.

The members of the Board of Education are interested in the health, the progress, and in the welfare of each and every individual in the system.

Our congratulations and best wishes to the members of the class of 1947.

Mr. Archie Fruth
President, Board of Education

MR. A. W. JONES

Congratulations to the class of 1947. The Scarlet and Gray will furnish a complete record of the pupils and activities of the school during the year 1946-1947. It is a chronicle of events they will want to remember.

Peace came to the world and a new atomic era has staged its entrance into the affairs of men. Let us hope that the Hopewell-Loudon school will be far-sighted enough in its school program to train boys and girls to live useful lives in this age and to be better citizens because they were once enrolled in this school.

MR. H. R. MILLER

Always, following a major war, there are problems of a unique nature for young people to master. Especially are they perplexing in the social, moral, and economic fields. It's my sincere hope and belief that these students of Hopewell-Loudon, whose activities are so well portrayed in this year book, are better trained than ever to solve their problems. I congratulate the Class of 1947 for excellent achievement.

Senior Class History

We the members of the Senior Class; who entered the Hopewell-Loudon School as fifth graders, are very proud that we are now Seniors. Our class colors are "Green and White", our flower, "the American Beauty Rose", and our motto is, "Character is the Corner Stone to Success." We have exercised our highest abilities in our attempt to fulfill this resolution.

Our Senior Class opened this year with a class of twenty-four, but about four weeks after school had started, Paul Covert left for service. Since then the members of our class have entered many activities such as Debate, Band, Orchestra, Glee Club, Mixed Chorus, F. F. A., F. H. A., Y-Teens, Basketball, and Track.

Class Will of 1947

We, the Seniors of 1947 being of sound mind and body, hereby declare this our last will and testament.

We, the Senior Class will our teacher, Mr. Goetz, to the Juniors.

I, La Donna Boes, will my drum majorette uniform to the next lucky person, but will keep my love for Ed.

I, Ray Brickner, will my studying ability to Gene Brickner, and will keep my love for Norma.

I, Doyle Dillon, will my cornet to Donnie Kline and my driving ability to Fred Scaife.

I, Charles Dundore, will my tuba to anyone who can fill the bill, and will keep my interest in Columbian.

I, Dale Fruth, will my shortness to Eugene Hoover and my basketball ability to Bob Theis.

I, Lois Good, will my dark hair to Mary Kinn and my typing ability to Tony Teill.

I, Janette Goshe, will my quietness in study hall to Jane Eschenbrenner.

I, Joanne Goshe, will my typing and shorthand ability to anyone who needs it.

I, Melvin Heck, will my basketball ability to Dickie Dewald and will keep my interest in Columbian.

I, Mary A. Hoover, will my cheerleading outfit to any Freshman who can fulfill it and my dark hair to Leila Brickner.

I, Tom Kelbley, will my basketball ability to anyone who needs it and my studiousness to Ray Valentine.

I, Pat Kinney, will my English book to Lucille Cooper and will keep my love for Paul.

I, Louis Lucius, will my quietness to Robert Miller and my alto horn to anyone who can play it.

I, Richard Myers, will my stubbornness to Angela Reinhart and my F. F. A. membership to Ronnie Colvin.

I, Donald Pember, will my dark hair to Frazer Leuck and my saxophone to anyone who has the ability to play it.

I, Donnis Pember, will my ability to play the piano to Margaret Kiesel.

I, Mary E. Scherger, will my musical ability to Irene Brickner, but will keep my love for Gene.

I, Florence Sendelbach, will my bashfulness to Mary E. Brickner and will keep my Home Ec. for further use.

I, Hilary Sheeter, will my art ability to Gene Hoffman and my French horn to anyone who can play it.

I, Bernard Smith, will my tallness to Paul Comer, and my ability to keep away in History to my brother, Leo.

I, Patty Smith, will my long hair to Cordelia Sheeter and my beautiful voice to Roma Reinhard.

I, Margaret Steinmetz, will my success to my brother John, and my History book to any Juniors who can get it.

I, Maxine Steinmetz, will my red hair to Marion Reinhart and will keep my love for Jr.

We, the Seniors, will the Juniors our last place in the cafeteria line and our wonderful behavior in our high school years.

We, the Seniors, will the Sophomores the right to attend the Junior and Senior Banquet.

We, the Seniors, will the Freshmen the right to turn colors to be sure to head the right way to the Senior room.

On August 2, 1957, a very beautiful day, the Hopewell-Loudon Senior Class of 1947, were having a class reunion at the Do Drop Inn, which is located in the big city of Bascom. It was the first time that many of us had seen each other since our graduation in 1947.

When I, Margaret Steinmetz, arrived from Oklahoma City, where I am happily married and living on a small ranch, I was told of this great event. Isn't it surprising how people change in a few years?

As I was about to enter the Inn, the first ones I saw were Mr. and Mrs. Ed. Behm (former LaDonna Boes) and their family of three. They are living on the big farm where LaDonna was born and raised. I understand that Mrs. Behm has a thriving trade of toy fox terriers.

Then I saw Mr. and Mrs. Ray Brickner. Ray has been married to Norma Steyer for quite some time and has a little boy. Ray is now the President of the American Clay in Tiffin.

I went inside and in a corner I saw those attractive Goshe twins and their husbands. Joanne and Janette are private secretaries for the governors of Ohio and New York. They have recently been married in a double wedding ceremony.

Suddenly everything was silent. I looked up and saw Charles Dundore coming in the door. He is a movie star in Hollywood and is the second Frank Sinatra. All the teen age girls are nuts about him. Charles is married to Ruth Shofstahl of Tiffin.

As I looked across the room I saw Mr. and Mrs. Junior Schultz (former Maxine Steinmetz) and their family of four. Beside them I saw their private nurse, Florence Sendelbach, who has had her training in Cleveland.

A little later outside I heard the sound of horns and the screeching of brakes. Then in came Doyle Dillon. He now has his own Jazz Band in Hollywood. His ability to play his trumpet has won him great fame.

Over in one corner I saw some college folks. They were Don Pember, who is the President of Ohio State, and Dale Fruth, who teaches Agriculture at Ohio State. Don was reading a book. I casually glanced at the title, and I thought my eyes were seeing things. But no, I wasn't. The title was, "Mickey Mouse". I understand he has a collection of comic books.

As I was sitting down at the table, I saw next to me Melvin Heck and his family. My, how he has changed. Melvin is married and he is a plumber in Tiffin, he has his own company: "The Heck Plumbing Company", which is located on Washington Avenue.

Suddenly the talking and laughing stopped, and everyone stood up. There in the doorway was the President of the United States. He took one step forward and stumbled. As he fell everybody gasped and it was so quiet that you could hear a pin drop. His hat rolled off and when I saw that familiar red hair, I knew who it was. Tommy got up—I mean President Kelbley arose. His face was as red as his hair. We couldn't hold back the laughing and soon he too was laughing.

Then I heard the screeching of a violin. At the next table I saw Mr. and Mrs. Gene Schriener (former Mary Ellen Scherger) and their family of three. Mrs. Schriener is teaching violin lessons. Her youngest son is taking lessons from her, so he too can teach violin lessons.

Donnis Pember then played a solo on the piano. She has been attending a music college and now is teaching piano in Cleveland.

When Donnis was finished with her solo, we heard a terribly loud roar outside. It sounded like someone was dive-bombing us. We all ran outside and saw a very large streamlined plane circling around in the sky. Then it dived over us and we all ran for shelter. It then flew very low over the village and we thought that it had gone when here it came zooming down the street and stopped. Immediately I knew who it was. Mr. and Mrs. Hilary Sheeter and their son got out of the plane. I remember seeing Hilary draw it in English class way back in "47". He has done all right for himself.

As we were going back inside I saw Mary A. Hoover. She is a beauty operator in Cleveland and really making money. She owns her own building and equipment and has over 50 employees.

As everyone was getting settled, my eyes nearly popped when I saw Mr. and Mrs. Paul Siebenaller (former Pat Kinney) and their family of four. Pat was married the summer following our graduation. They live on a 500 acre farm near Fostoria.

Then Father Lucius said the prayers before dinner. He is the pastor of St. Patrick's Church in Bascom.

When dinner was being served, I noticed someone was putting up an awful big fuss about the swell food we were having. I guess Patty Smith hasn't had a meal like it for quite a long time, because she is a missionary in Africa.

The conversation and laughter were broken by a child crying. I looked around to see who it was and there I saw Mr. and Mrs. Goetz and their family of five. Mr. Goetz is still the music director of Hopewell-Loudon. One of his children had fallen off the chair.

Immediately Lois Good came right to the rescue and fixed up everything just fine. Incidentally, she is the head nurse at St. Luke's Hospital in Cleveland and doing a very fine job.

Then Bernard Smith suggested that all the men go out and have a game of football. The idea was just the thing because everybody was in favor. The game started and the men played just as they did back in high school. But the game didn't last long for Bernard slipped and broke his arm. He is now the coach of the Notre Dame football team. They really have a team with Bernard as their coach.

After we got inside, Richard Myers started to tell some stories about the West. He is married and has four children. Richard owns a big ranch out in the West where he is very happy.

Dinner is over and as it is getting late, I must be leaving. So, we say good-bye and good luck to the graduates of forty-seven.

The membership of the Hopewell-Loudon Honor Society is constituted of all honor students of the Junior and Senior classes. Having attained a "B" average or above, determines a student's eligibility for membership in this esteemed organization.

Being a member of your school Honor Society automatically makes you a member of the County Honor Society, which, in turn, is composed of all the honor societies of the Seneca County Centralized High Schools.

The County Honor Society holds several enjoyable meetings each year. The programs of these meetings are educational as well as recreational.

To become a member of this highly regarded organization is truly an ideal for any student to acquire.

The former Girl Reserve organization is now known as the Y-Teen Club. The Hopewell-Loudon G. R.'s are trying to accustom themselves to the new name, insignia, songs and activities for Y-Teen groups.

Plans for a Y-Teen council are being made to strengthen the Y. W. C. A. work in the community and school. It is hoped that the organization will increase in membership in the near future.

Y-Teen week will be observed from February 21 to February 28 with special emphasis on the club's interest in world fellowship and its place in the school and community.

The F. H. A., began the year of 1946-1947 very successfully. We have thirty five members in our club this year. During the summer we won first award for the booth display at the Seneca County Fair.

During September the F. H. A. initiation for the new members took place. We also have had numerous other meetings every month. The Club motto is "Toward New Horizons." Our colors are Red and White. We also chose our club mothers this year, they are Mrs. Arthur Hoover and Mrs. Herman Boes.

The following girls were elected for County F. H. A., offices from our school, President Mary A. Hoover, and the News Reporter Barbara Droll.

The officers we have elected this year are:

During the school year of 1946-47 there were 38 boys enrolled in Vocational Agriculture Classes. The number of projects taken by the boys are as follows: Sow and litter 20, corn 13, steers 7, soybeans 7, chickens 6, dairy calves 4, sheep 3, feeder pigs 2, oats 2, wheat 2, bees 1, dairy herd management 1. They are taking the following supervised practices: farm accounts 13, home library 10, poultry flock records 9, pruning and spraying trees 9, home beautification 6, and dairy herd records 5. For last year's project the classes made a total of \$8829, after all expenses were deducted from their income. This made an average of \$327 for each boy enrolled in Vocational Agriculture in 1945-46.

We wish to congratulate Lester Cleland, one of our members who was recently elected to the degree of State Farmer. This is the highest degree awarded to any F. F. A. member by the

Ohio Future Farmer Association. This makes five members from our chapter who have received this degree.

Doyle Dillon was the highest boy in the pest hunt in the chapter with 2002 points. Melvin Heck second, with 1465 points; with Eugene Hoffman third with 1409 points. The total points were 16,696 with an average of 451 points per boy. There were 889 rats, 659 sparrows, 153 mice, 101 pigeons, 50 crows, 32 weasels, 24 starlings and 1 mole killed by our members.

Night School

The Adult Farmers Course was sponsored by the Vocational Department under the Direction of Mr. Schuler. Seventeen farmers in the Hopewell-Loudon School District attended these meetings to discuss various phases of Farm Management.

The course was composed mostly of Young Farmers although older ones were invited. Some of the discussions dealt with farm safety, painting farm buildings, selection of breeding gilts on the basis of carcass yields, and hybrid corn comparison tests.

Veterans

Hi folks: This is Station VATS speaking to you from Bascom, Ohio.

This school was organized and begun here in the Hopewell-Loudon School on June 27, 1946. The first class was held that Monday evening in the Vocational Agriculture class room. Since that time there has been a big turnover in students. A large group of the original class was transferred to the Old Fort School and the Republic School when the Republic School was opened on Oct. 1. There was a change in teachers at the same time. Paul Hossler who started the school here, went to Republic to take over that school and Earl Zellner took over the class here. Since that beginning date there has been a class every week with only one or two being missed.

The men in this school are all ex-servicemen. That is the first requirement for entrance. The second requirement is that they must either be farming for themselves or they must be working on a farm.

These men come from all branches of the service, they have seen most of the world, and just about every type of service is represented. The Army, Navy, and Marines are all present in this class. A couple of the men were even officers. Eighteen of them saw overseas service. They have been in the European Theatre, China, India, Japan, South America, and the Panama Canal Zone. One man was a prisoner of the Germans, two are wearing the Purple Heart,

three the Bronze Star, and four wear the Presidential Unit Citation. Now you see what a representation we have here of the Armed Forces.

There are twenty three men in the class and they are farming a combined total of four thousand, four hundred and fifty acres. They are scattered in six townships on the west side of the county: Jackson, Liberty, Hopewell, Loudon, Big Springs, and Seneca. Dairy cattle and hogs are the predominant livestock and the crops are general.

The purpose of this school is to help these men gain back the knowledge and developments that they lost out on during the time they were in service. The government gives them a subsistence allowance designed to pay them for the time that is lost from their farm business by attending the school. For a single man this is \$65 per month and for a married man it is \$90 per month. In addition to this these men are entitled to books and tools necessary for training up to a maximum of \$100 for books and \$100 for tools per man. There is no prescribed course of study. We study what the men need and desire.

So long now folks. If you want to get some real inside information on this school you are invited to attend any of our classes. Visitors are always welcome.

This is Station VATS signing off now. Your announcer has been Earl Zellner, the school instructor.

Junior Class Play

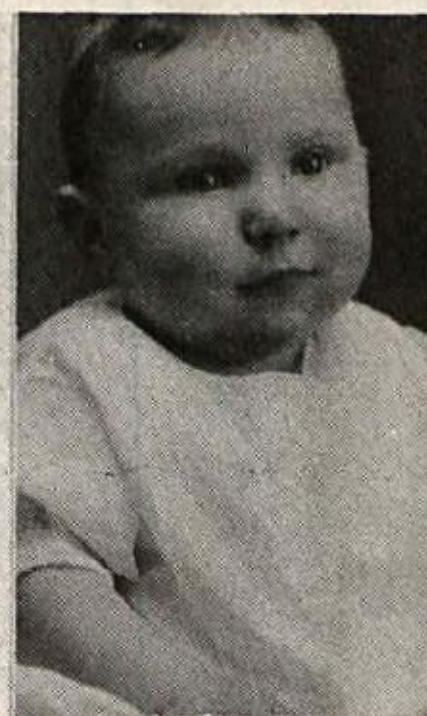

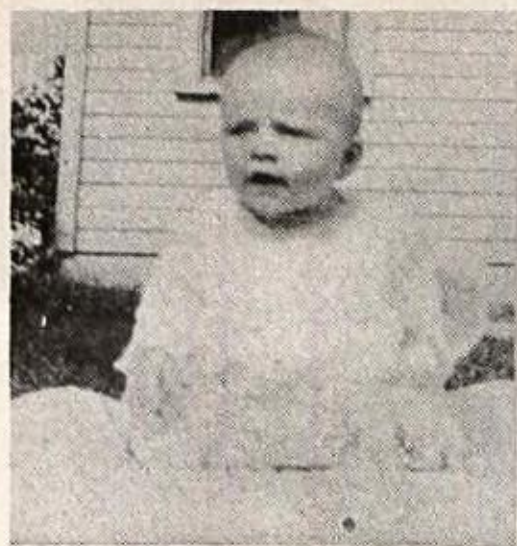

"One Delirious Night" was presented by the Junior Class, November 22, 1946. This three-act farce, by Berry Colbert, was well received by one of the largest audiences ever to attend a Junior Class play at Hopewell-Loudon School.

The plot was exceedingly hilarious in its mixed situations, with a tyrannical grandmother, a granddaughter who has hallucinations, her girl friend, a crook butler and maid, an Irish cook, a fiance who has fits, an absent minded grandfather, and a doctor who can cure anything.

ATHLETICS

CHARLES DUNDORE

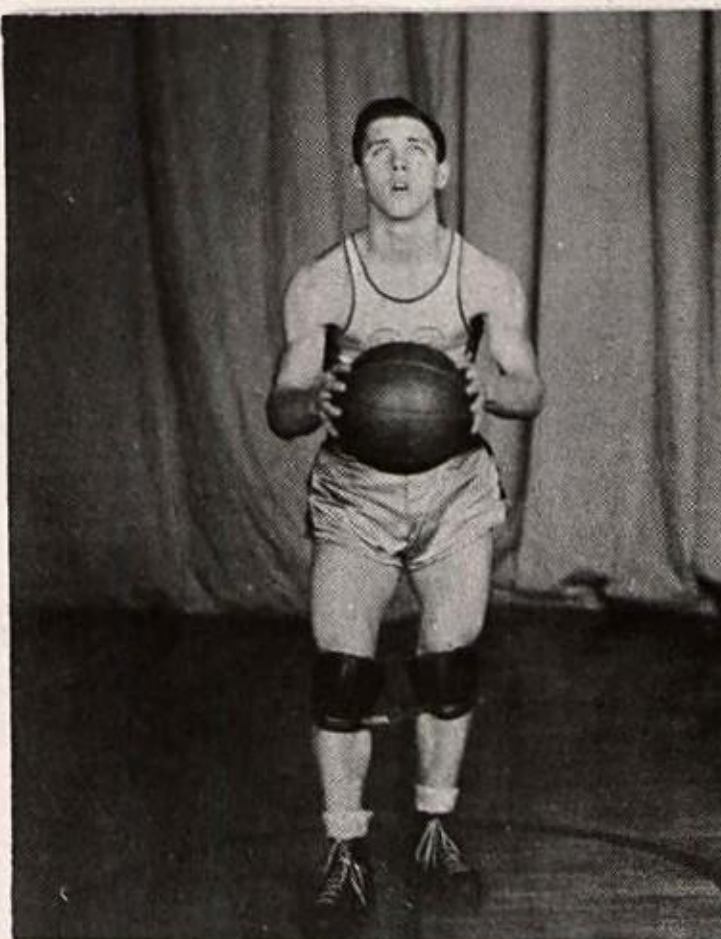

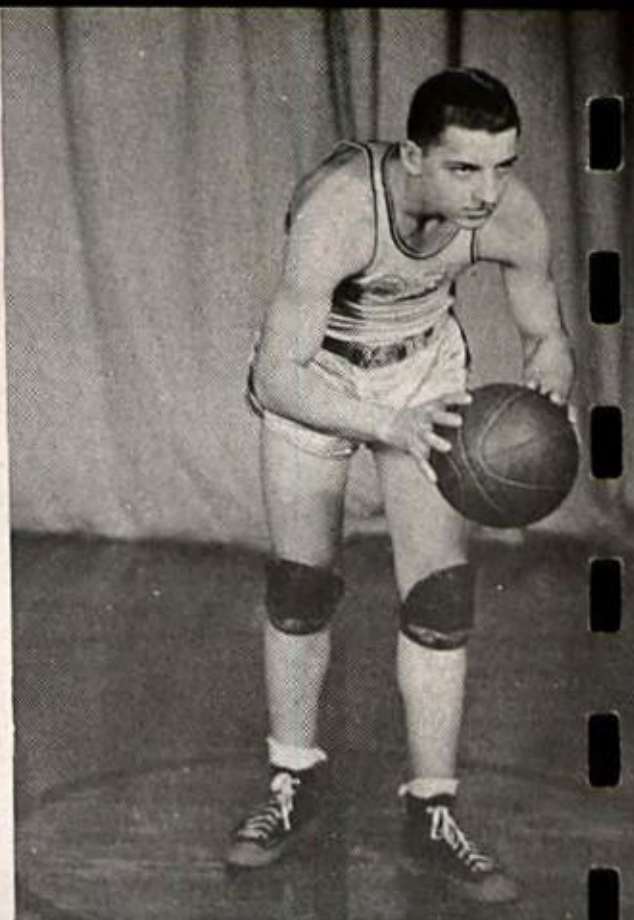

Senior
Guard

Dundore showed a fine spirit of cooperation and sportsmanship. He was always willing to do his utmost for the team.

EUGENE HOFFMAN

Junior
Guard

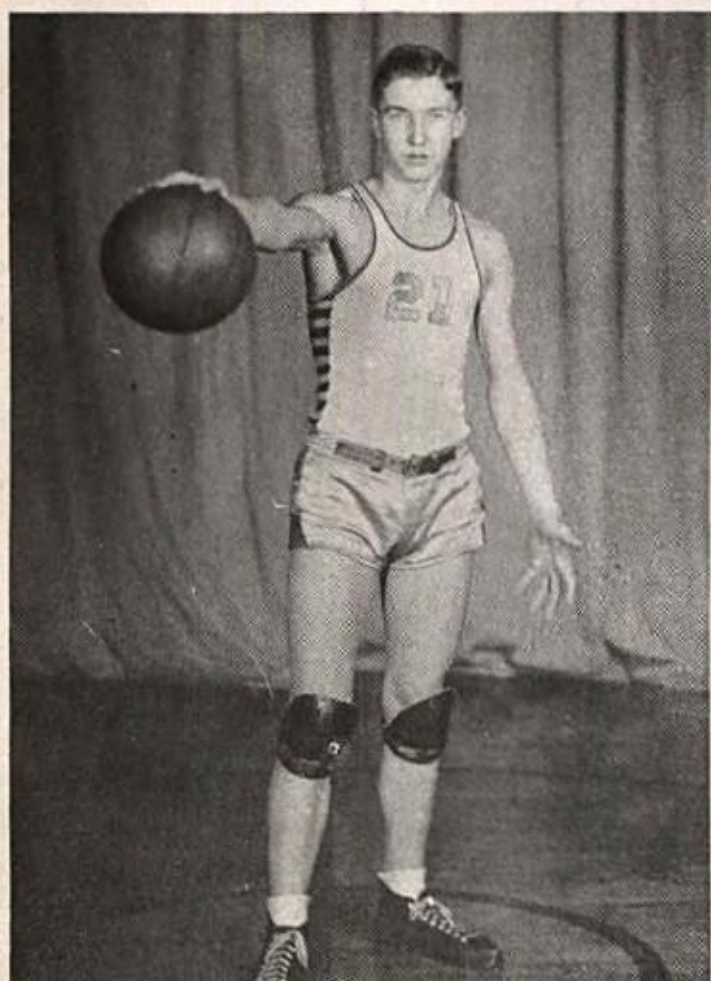

Playing both guard and forward, Gene used his height to its best advantage. He should be a great help next year.

MELVIN HECK

Senior
Forward

With his excellent side shot and his accurate foul shots Melvin kept H. L. going in many games. He will be missed next year.

EUGENE HOOVER

Junior
Forward

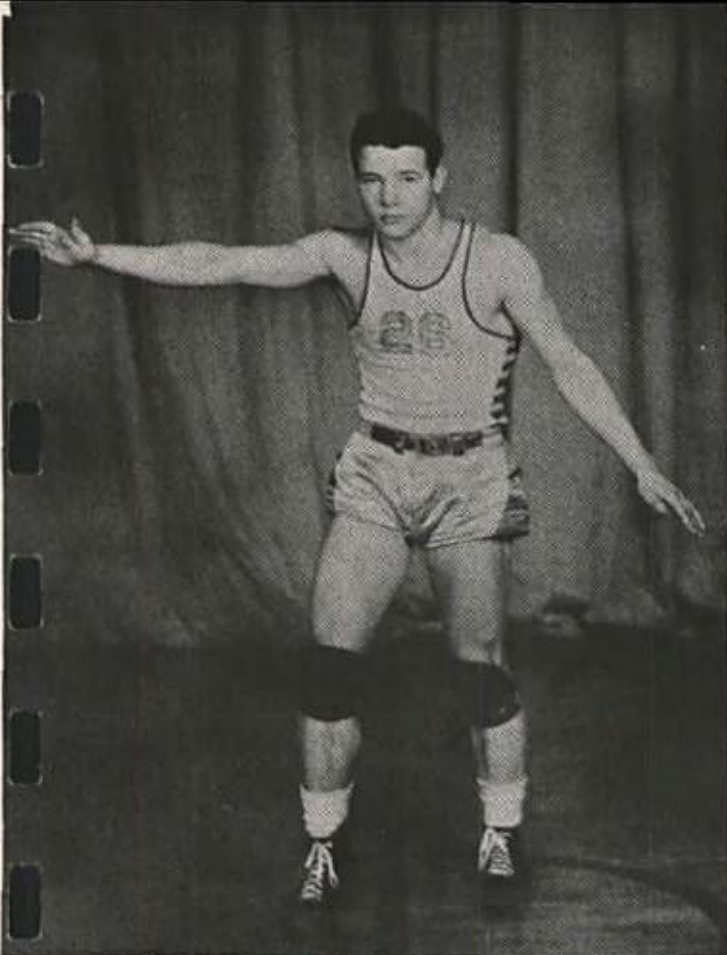

Gene, another side shot expert, performed well this year and should do wonders for the next year's team.

THOMAS KELBLEY

Senior
Center

Switching from guard last year, Tom always tried to give his best to the team.

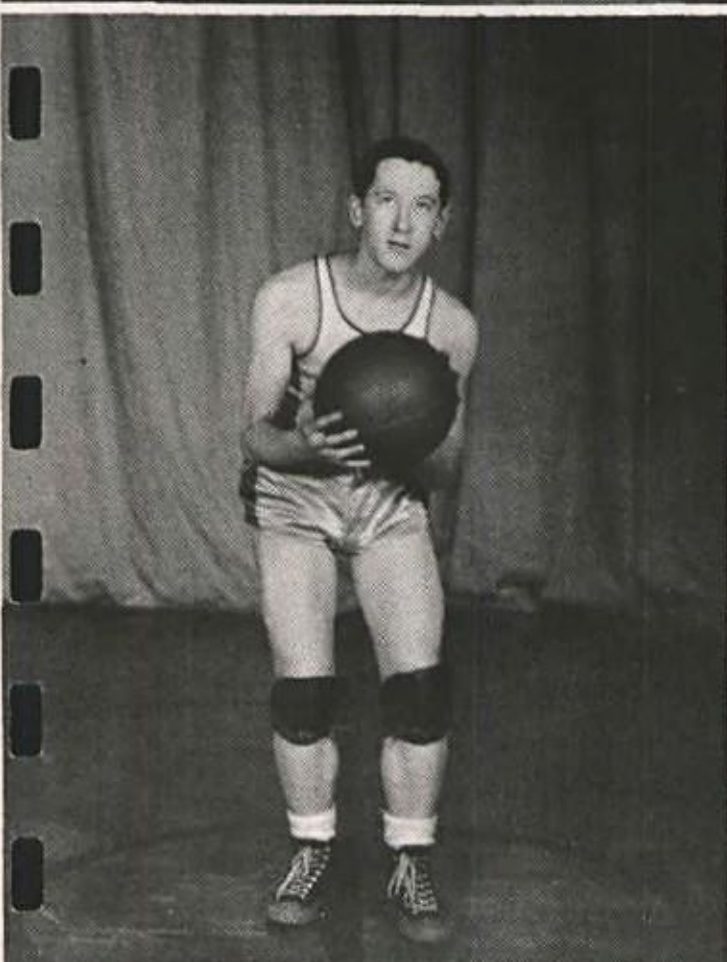

JACK HAUGH

Sophomore
Guard

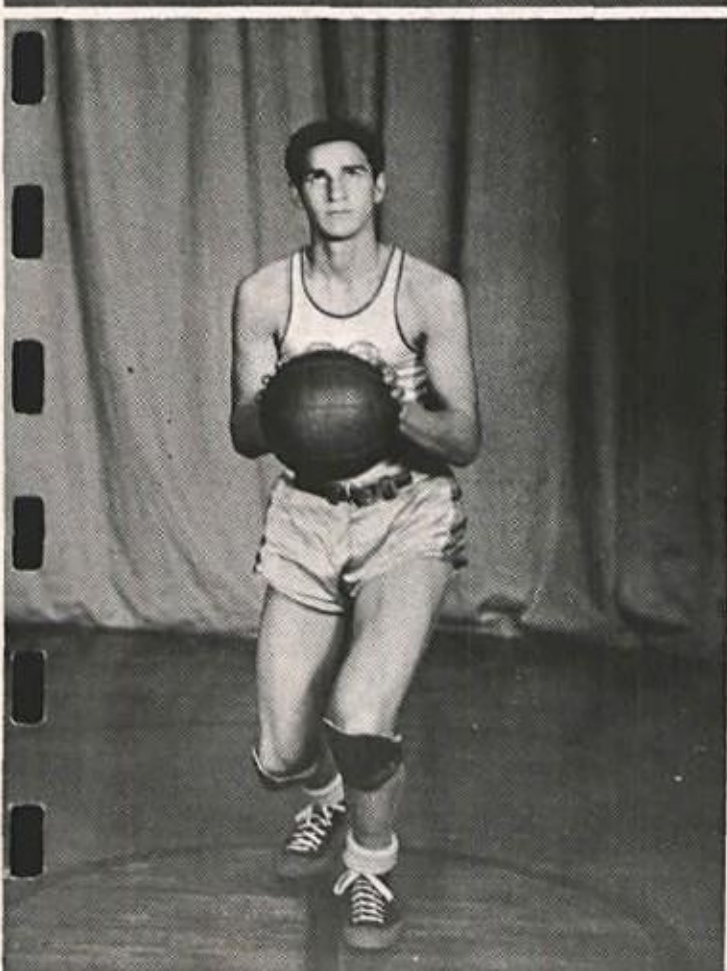

Jack is a fast little player who has a good hard pass. He will be a credit to the future teams of H. L.

PAUL COMER

Sophomore
Forward

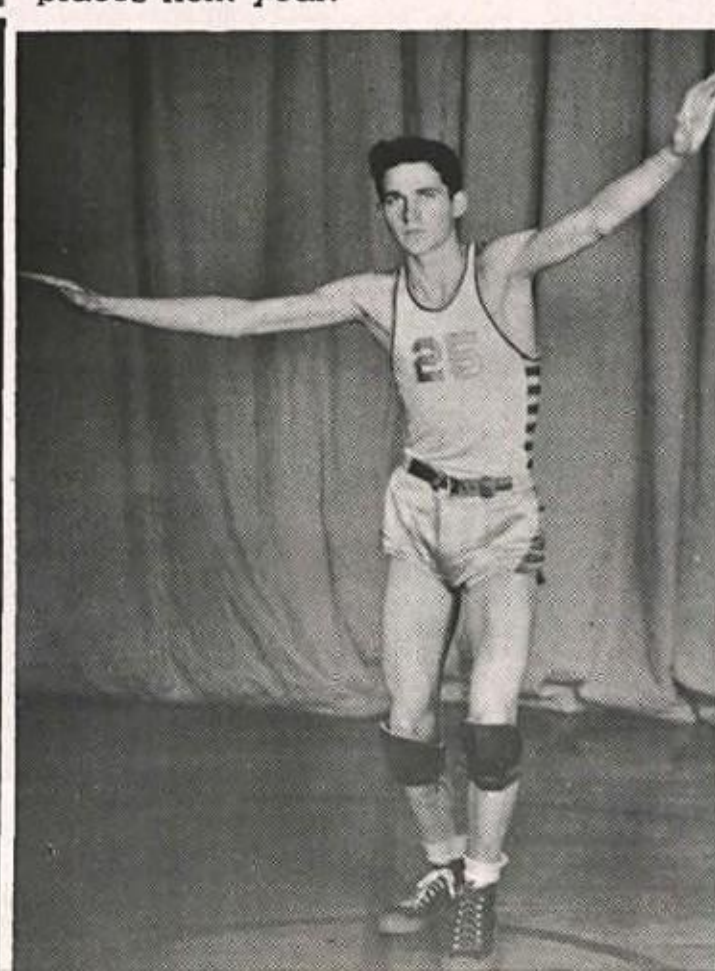

Paul made up for his shortness by his accurate set and left handed hook shots.

LEO SMITH

Junior
Guard

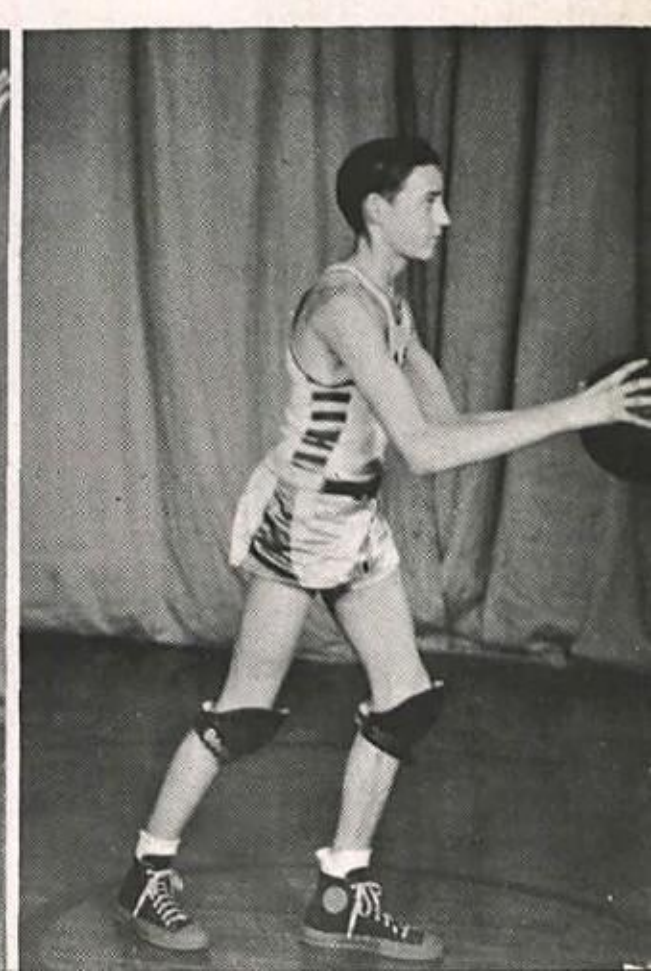

Playing guard, Leo was a good defense man who got many balls off the opposing back board. He should go places next year.

DON COPPUS

Sophomore
Center

Don is an excellent defense man with a good pivot shot. He is an asset to any team.

DALE FRUTH

Senior
Forward

For his size Dale was one of the most aggressive men on the team. He never gave up no matter what the odds were.

Coach Adams
Thomas Kelbley, Honorary Captain

Coach and Captain

Perhaps the most outstanding thing about our basketball team this year was the fact that they never gave up or quit until the final whistle. The boys didn't win all of their games but it wasn't because they didn't try to do their best. They certainly were good losers and grand winners.

The school and community spirit was something to be proud of. In our games away we often saw more of our own people there than of the home team. Our cheerleaders did a fine job of supplying pep and ginger to the boys besides giving the students a chance to give off with some of their steam.

We all had a good year at Hopewell-Loudon this season of 1946-47 but we have hopes of next year being even better.

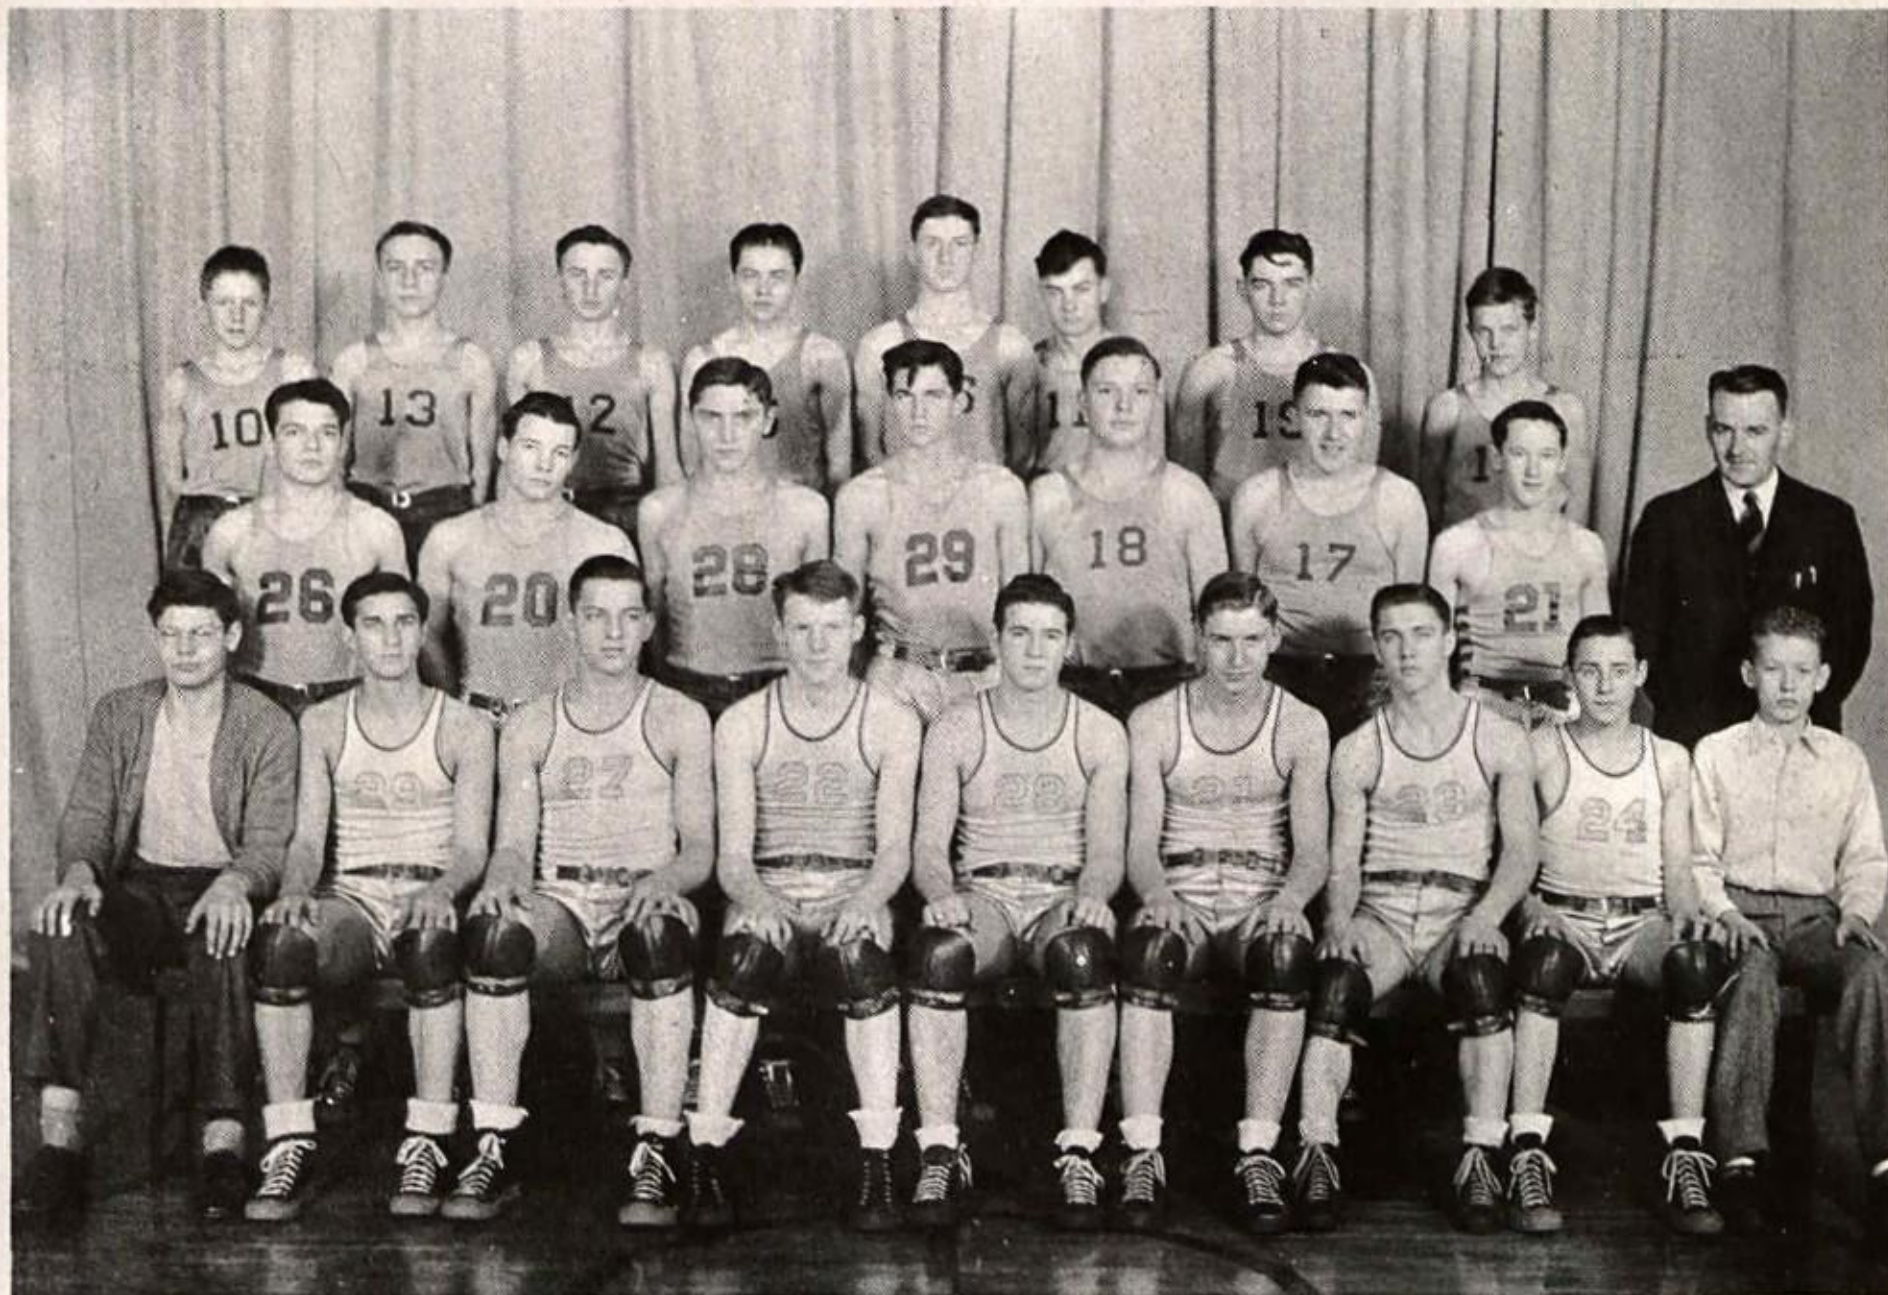

Record, 5 wins and 15 losses.

Band

Under the direction of Burton Goetz, the band has steadily pushed forward with hopes of gaining a good rating in the District Band Contest.

The band played at programs, concerts, basketball games, fairs, parent-teachers meetings and other school activities. The band gave a performance at the Heidelberg and Ohio Northern football game last fall.

Last year there was no national solo contest but there were county, district and state contests. There were two groups fortunate enough to obtain a first rating at the district; the clarinet trio, consisting of Joanne Repp, Ruth Depinet, and Dorothy Creeger; Charles Dundore, on tuba. The clarinet trio received a II rating, and Charles Dundore a I at state.

Orchestra

The orchestra had a very good year. We have practically a new violin section at present, which is progressing very well.

The orchestra has played at various school activities and is looking forward to being the host to the all-county orchestra, which will be part of the County Music Festival to be held at Hopewell-Loudon,

March 28. The orchestra will be under the direction of Arthur Williams who is head of the Instrumental Department at Oberlin Conservatory of Music.

We wish to express our appreciation for the new string bass which was added this year to our fine collection of instruments.

WE ARE PROUD TO PRESENT

This group returned from all parts of the World to their favorite vocation at The Gray Printing Company.

Young in mind and spirit — they represent the nucleus of our organization for many years to come.

APPRECIATING how priceless your Annual may be in later years—a forgotten face or name—happy events recalled—these many Veterans along with the others in the Gray organization consider it a privilege to be of assistance in such a worthy achievement and to help you produce books of exacting quality and good taste.
